

**7th International Singapore
Lipid Symposium 2018**
March 7–9, 2018
National University of Singapore

ISLS7 is organized and hosted by the Singapore Lipidomics Incubator, SLING. We invite and bring together researchers interested in lipid biology and novel technologies for lipid detection, modification and engineering.

Tue – Mar 6

09:00–12:00

Thematic Workshop
Bacterial Lipidomics
(by invitation)

12:00–13:00

Lunch

13:00–16:00

Thematic Workshop
Sphingosine-1-phosphate
(by invitation)
